AJAYI ENITAN FIYINFOLUWA

Front-End Developer & IT Support Specialist · First-Class Honours B.Sc.

Lagos, Nigeria | +234 704 249 6551 | ajayiiyinoluwa56@gmail.com | linkedin.com/in/enitan-ajayi

PROFESSIONAL SUMMARY

First-Class Computer Science graduate from Caleb University dedicated to crafting modern, responsive, and intuitive web experiences. Specialize in Front-End Development, translating design concepts and ideas into engaging digital products with clean component architecture and seamless RESTful API integration. Complement technical front-end capabilities with a solid foundation in IT support, network configuration, and systems troubleshooting. Seeking graduate internships, junior front-end developer roles, or entry-level software engineering opportunities to contribute practical value, collaborate with high-performing teams, and grow under expert mentorship.

TECHNICAL & PROFESSIONAL SKILLS

Front-End Technologies: HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js, Vue.js, Tailwind CSS, Bootstrap

Engineering Practices: Component-Driven Architecture, Responsive Web Design, Web Performance Optimization, RESTful API Integration, State Management

Tools & Version Control: Git, GitHub, VS Code, Canva, UI/UX Prototyping

IT & Systems Support: Network Troubleshooting (IP/DHCP/Routers/Switches), Hyper-V Virtualization, Hardware Diagnostics, Web Hosting & Cloud Basics

Professional Competencies: Analytical Problem-Solving, Team Collaboration, Adaptability, Time & Project Management, Continuous Learning

PROFESSIONAL EXPERIENCE

Newgate Medical Services Limited — May 2025 – August 2025
IT Support Intern — Lagos, Nigeria

- Configured and troubleshot local computer networks, resolving IP addressing, DHCP, router, and switch connectivity issues to maintain continuous operational uptime.
- Diagnosed and serviced hardware, software, and Windows operating systems across organizational workstations, ensuring high system availability and user productivity.
- Set up and maintained Hyper-V virtual machines and server/client environments to support operational testing and department software workflows.
- Installed, calibrated, and maintained biometric staff attendance devices and specialized telemedicine systems.
- Assisted in routine cloud services, web hosting administration, and periodic secure database backup tasks.

YAFP Nigeria Limited — April 2024 – July 2024
IT & Data Intern — Lagos, Nigeria

- Executed accurate data entry, verification, and file organization across departmental record systems.
- Enforced corporate data safety standards through routine file encryption and scheduled data backup cycles.
- Assisted staff with day-to-day hardware maintenance, peripheral setup, and software troubleshooting inquiries.

EDUCATION

Caleb University — 2022 – 2026
*Bachelor of Science (B.Sc. Hons) in Computer Science — **First Class Honours*** — Imota, Lagos, Nigeria

Alpha Training Support Academy (ATSA) — 2015 – 2021
West African Senior School Certificate Examination (WASSCE) — Lagos, Nigeria

CERTIFICATIONS & PROFESSIONAL TRAININGS

- **Front-End Web Development Training** – New Horizons Nigeria
- **Networking, Security, and Maintenance** – CUL Technologies (CompTIA)
- **Data Analytics Essentials** – Cisco Networking Academy
- **Microsoft 365 Introduction** – CUL Technologies (CompTIA)
- **IT Fundamentals (ITF+)** – CompTIA / Caleb University
- **Databases and Software Development** – CUL Technologies (CompTIA)
- **Cloud Computing Fundamentals** – CUL Technologies (CompTIA)
- **Mastery of Information Technology Ethics** – CUL Technologies (CompTIA)
